

Press Release May 2006

HOSPIMedica INDIA 2006 attracted healthcare experts from 24 countries

The 12th edition of HOSPIMedica INDIA, jointly organized by Messe Duesseldorf Germany and their Indian subsidiary CIDEX Trade Fairs Pvt. Ltd., concluded successfully at the World Trade Centre, Cuffe Parade, Mumbai. India's largest multi-faculty medical exhibition and conference was held from 10th to 12th March 2006 and attracted 90 exhibitors from 13 countries and 2910 business visitors from 24 countries.

Manufacturers and distributors from all over the world displayed a wide cross-section of medical equipment at the exhibition. The unique feature this year was a large international presence from Germany, China, Taiwan, Australia, Korea, Finland, Singapore, UAE, Spain, Israel, Sweden, Switzerland and India. HOSPIMedica INDIA proved to be the perfect business platform for finalising deals and building new contacts with the Indian medical fraternity and medical distributors. Some of the participating companies have finalized major trade deals.

Another added feature of the fair was a two day parallel conference on: "Healthcare – Focusing on the Future", organized jointly by Association of Hospitals (AOH) and Cidex. The focused medical conference covered major topics like "Newer Approaches in Imaging", "Advances in Lab Medicine", "Quality in Healthcare", "Medical Tourism", "Health Insurance Challenges", "Newer Techniques in Cardiac Care", "Bird Flu- Prevention better than cure", "What is new in Cancer?" The conference attracted 250 delegates.

HOSPIMedica INDIA exhibition and conference brought together doctors, surgeons, hospital administrators, healthcare managers, medical equipment manufacturers. The success of this event has set the stage for the next HOSPIMedica INDIA, to be held from 9th to 11th March 2007, at New Delhi.
